

God Speaks to Me Today

1. God speaks to me to-day with words both old and new;
 2. God speaks to me to-day in the glo - ry of the dawn,
 3. God speaks to me to-day in the words and in the deeds
 4. God, speak to me to-day: help me lis - ten; help me know—

three thou - sand years of words to hear: the good, the wise, the
 in oc - ean's might and soft star - light, in crys - tal dew soon
 of those who give through the lives they live, who heal and teach and
 through walls of sound, through my night pro - found— the way for me to

true. But can I hear them now? This nois - y world sur -
 gone. But can I see God's face in ev - 'ry sac - red
 feed. How can I fol - low them, how can I hear them
 go. Please grant me calm to hear the still, small voice that

rounds; and my proud fears stop up my ears with stri - dent,
 place when guilt's dark blight im - pairs my sight, blots out the
 preach, when my small ways and bu - sy days lead me be -
 starts your song of peace and love's in - crease with - in my

self - made sounds, with stri - dent, self - made sounds.
 flame of grace, blots out the flame of grace?
 yond their reach, lead me be - yond their reach?
 hope - ful heart, with - in my hope - ful heart.
